Dear Dr. Dharma: Manuscript ID FON-2020-0137 entitled "Caregiver Empowerment Program Based on the Adaptation Model Increase Stroke Family Caregiver Outcome" which you submitted to the Frontiers of Nursing, has been reviewed. The comments of the reviewer(s) are included at the bottom of this letter.

The reviewer(s) have recommended publication, but also suggest some minor revisions to your manuscript. Therefore, I invite you to respond to the reviewer(s)' comments and revise your manuscript.

To revise your manuscript, log into <https://mc03.manuscriptcentral.com/cnnr> and enter your Author Center, where you will find your manuscript title listed under "Manuscripts with Decisions." Under "Actions," click on "Create a Revision." Your manuscript number has been appended to denote a revision.

Please fill out the attached Copyright Transfer Form and upload at Step 6: File Upload with 'Copyright' Fille Designation.

You may also click the below link to start the revision process (or continue the process if you have already started your revision) for your manuscript. If you use the below link you will not be required to login to ScholarOne Manuscripts.

*** PLEASE NOTE: This is a two-step process. After clicking on the link, you will be directed to a webpage to confirm. ***

https://mc03.manuscriptcentral.com/cnnr?URL_MASK=9038c3d56e4b4fc6bf30cabf3836b435

You will be unable to make your revisions on the originally submitted version of the manuscript. Instead, revise your manuscript using a word processing program and save it on your computer. Please also highlight the changes to your manuscript within the document by using the track changes mode in MS Word or by using bold or colored text.

Once the revised manuscript is prepared, you can upload it and submit it through your Author Center.

When submitting your revised manuscript, you will be able to respond to the comments made by the reviewer(s) in the space provided. You can use this space to document any changes you make to the original manuscript. In order to expedite the processing of the revised manuscript, please be as specific as possible in your response to the reviewer(s).

IMPORTANT: Your original files are available to you when you upload your revised manuscript. Please delete any redundant files before completing the submission.

Because we are trying to facilitate timely publication of manuscripts submitted to the Frontiers of Nursing, your revised manuscript should be uploaded within one Month. If it is not possible for you to submit your revision in a reasonable amount of time, we may have to consider your paper as a new submission.

Once again, thank you for submitting your manuscript to the Frontiers of Nursing and I look forward to receiving your revision.

Sincerely,
Dr. Rui-Fang Zhu
Editorial Director, Frontiers of Nursing
