Manuscript Revision
Dear, Dewi Susanna
The Editor of Jurnal Kesehatan Masyarakat Nasional (Kesmas)

We are very sorry for being late in checking email. After checking email, we immediately corrected the manuscript. We promise this incident will not happen again. Sorry for the inconvenience and we would like to say thank you for your advice related to some important points which need to be revised. We have revised and sent it back to the journal system. Some concerns were:

- 1. abstract
- 2. citation writing

Thank you very much for the inputs. Those things made for the betterment of the manuscript and deserve to publish in your journal.
